

The Lafayette Elementary School PTO is a 501(c)(3) nonprofit encouraging parent involvement and enhancing the Lafayette Elementary experience through Volunteer Efforts, Community Building, and Financial Support. **Our fundraising goal for the 2025/2026 school year is \$50,000.**

PTO funds sponsor various educational experiences and materials not allocated for in the school budget, including: Part-Time Math & Literacy Tutors, Specials & Library Funding, Garden to Table, Community Events, Clubs & Activities, Ongoing Teacher Appreciation, and more! You can support our fundraising efforts by **making a donation anytime** (cougarpto.org/donate), asking your employer if they offer **a corporate match**, and **volunteering to help** us with our fundraising activities and events.

There are also a number of passive ways to provide financial support: sign up to designate Lafayette Elementary PTO as your community rewards partner through King Soopers, scan receipts with the Box Tops for Education app, drop off your milk caps from the Longmont Dairy. All of these things truly make a difference - and many of them are incredibly simple!

We'd like to get *at least 12 more families* signed up to donate through King Soopers Community Rewards this year. **Can you be one of those families?**

EASY WAYS TO SUPPORT YOUR PTO!

Are you a King Soopers Rewards shopper? Link your account and start supporting us with every grocery run! **Create an online account, or login, then from "account home" and follow these steps:**

1) scroll down to:

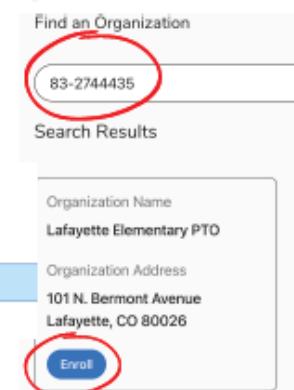

**That's it!
King Soopers
automatically donates
money with every
purchase!**

2) click enroll:

3) find us!
